On 2/20/2022 at about 1848 hours, I took a report of a disturbance that occurred at 7292 Sabre Ave.

I spoke to the reporting party, John Harber, at RPD. According to John, he was at 7284 Sabre Avenue with friends on 2/19/2022 at about 1330 hours. John stated that there has been a neighbor dispute between the residents at 7284 and the resident at 7292. John stated that he observed the resident of 7292 Sabre Ave, identified as Rebecca Lucas, outside her residence. John was worried that Rebecca was going to aggravate the residents at 7284 with her aggressive dogs because Rebecca has been known to do so. John informed me that Rebecca has multiple pending court cases because of the dispute. On 2/19, John began recording Rebecca from the property of 7284 with his cell phone. Rebecca then pulled down her pants and exposed her buttocks to John and the other visitors at 7284. John stated he had video evidence of the event.

John showed me the incident that he recorded on his phone, I captured the video on my BWC as evidence. I observed that Rebecca said to John, "want to see my ass too" and then exposed her buttocks. John informed me that he was offended by her action of exposing her buttocks. John and Rebecca are not related and the incident occurred in a publically viewable location (the driveway of 7292 Sabre Ave).

I recognized that Rebecca had an active warrant through RMC for criminal mischief. I informed John that I would attempt to make contact with Rebecca at her residence to interview her. John stated he believed that Rebecca was home and described that she drives a red van. John also informed me that Rebecca was access to multiple firearms, which she came outside and showed and "racked" at the neighbors. John also explained that Rebecca has multiple aggressive dogs. Based on John's description of Rebecca's actions with the firearms and dogs, I believed that Rebecca could be armed and dangerous. I advised officers that Rebecca was known to possess firearms and had aggressive animals.

John completed a written statement of the event and I provided him my business card and this report number.

Officer Rubenstahl and I went to 7292 Sabre and attempted to make contact with Rebecca. I observed that Rebecca's maroon van was parked in the driveway. I attempted to knock at the front door multiple times and there was no answer at the door. Officer Rubenstahl knocked and announced Police. I could hear multiple large dogs barking from inside the residence.

As I was standing at the corner of the house, I heard Officer Rubenstahl make contact with someone at the front door of the residence. I heard Officer Rubenstahl tell Rebecca that she was under arrest, then observed a physical struggle between Officer Rubenstahl and Rebecca. It appeared that Rebecca was attempting to return inside her residence.

With Rebecca having an active warrant, and with Rebecca possibly being armed and dangerous, I immediately assisted Officer Rubenstahl with attempting to detain Rebecca. I ordered Rebecca to the ground as I secured her right arm. Officer Rubenstahl and I physically took her to the ground attempting to use a bent arm bar techniaue on her right arm.

I immediately ensured that the door to the residence was secure, to prevent additional force from being used on any aggressive animals. Rebecca was placed in handcuffs and searched incident to arrest. Rebecca was then placed in a lawn chair. Rebecca complained of back and hip pain. I requested medics and a supervisor respond

to the scene.

TTFD Medics arrived and transported Rebecca to Ohio Health Reynoldsburg for treatment.

I completed two RMC summons for Resisting Arrest and Public Indecency. I served Rebecca her initial summons/warrant and the resisting and public indecency. Rebecca was released from custody at the hospital. I completed an RPD Medical Treatment form for Rebecca.

The RMC warrant was returned to RPD dispatch. Copies of the RMC Summons, John's statement, and the medical treatment form were placed in central records.

On 2/20/22 at approximately 7:06 pm, Officer Martin aired for me to return the Reynoldsburg Police station to assist him. When I arrived, he advised me he was going to be filing a warrant on Rebecca Lucas for public indecency. I was also aware Ms. Lucas had a warrant out for her arrest for criminal mischief. I had attempted to serve the criminal mischief warrant for Ms. Lucas on 2/19/22 but was unsuccessful. I responded to Ms. Lucas's residence located at 7292 Sabre Ave. and watched the house as Officer Martin finished his interview of the victim. Officer Martin aired over the radio that Ms. Lucas is known to have several firearms inside the residence and aggressive dogs.

Officer Martin arrived at the residence and we began knocking at the front door. Ms. Lucas did not answer for several minutes. I observed a sign right by the door stating that the resident is armed and had a picture of a firearm. I knocked loudly and stated that police would return with a warrant and kick the door. At that time Ms. Lucas opened the door. I immediately recognized her from observing her Ohleg photograph. I advised Ms. Lucas she was under arrest. She attempted to retreat into the residence and shut the door. I grabbed Ms. Lucas's right arm and began pulling her out of the residence. I did not want Ms. Lucas to gain entry into the residence due to the firearms inside and aggressive dogs. Ms. Lucas grabbed the door frame in an attempt to prevent us from placing her under arrest. Officer Martin and I physically placed Ms. Lucas onto the ground and handcuffed her. Ms. Lucas complained of back and hip pain. Officers aired for medics and a sergeant to respond

TTFD medic 161 responded to the scene. Sgt. Wright #90 responded to the scene to assist. Medic 161 transported Ms. Lucas to Ohio Health Reynoldsburg and I followed. Officer Martin served Ms. Lucas a summons for criminal mischief, public indecency, a resisting arrest. Ms. Lucas was released from police custody at Ohio Health Reynoldsburg.
